

PRAYERS FOR EPIPHANY

- ❖ Let us keep the spirit of Christmas alive in our hearts. Let God be with us as begin a new year and a new school term.
- ❖ The three kings were led by a star to Jesus, may we always follow the light of truth in all that we do
Let us give thanks for our families and friends and for all that we have received over the festive period.
- ❖ The wise men were very special, help us to keep Jesus special in our lives and remember he is with us at all times, good and bad.
- ❖ Jesus was born in a lowly stable, let us remember the children in our local area that found Christmas hard this year. Let us pray that the year ahead may bring them hope and better fortune
- ❖ Shepherds and kings visited Jesus; let us pray that we can share our love and welcome everyone into our lives irrespective of their race, colour or what they believe. Let us forgive those that have hurt us.
