

The Catholic Children's Society (Plymouth) • Annual Appeal 23-24 August 2014

Please continue to support your diocesan Catholic Children's Society. Your generous donations can make a real difference.

Working across Dorset, Devon and Cornwall the Society helps children and families to cope when times get tough. According to the latest government annual poverty statistics, 300,000 children in the South West are living in poverty, including families where a parent is working.

When families are living hand to mouth they have little or no spare income for when things go wrong. In the last year the Catholic Children's Society has helped to ease the hardship of 120 families during such extraordinary circumstances.
